

Hours Matter.

If a spill occurs, immediately call 1.888.556.4734

We recognize the necessity of the risk management in the oil and propane delivery industry.

To help safeguard your business and comply with state laws, your insurance program has partnered with Ambrose, the leader in environmental spill cleanup.

Please share with your drivers the importance of reporting spills.

In this kit, you will receive:

- Sticker to be placed in the cab of the Driver's vehicle for immediate access to the rapid response team if a spill occurs.
- Card to be placed in the Driver's sun visor for quick access to report a claim

When calling Ambrose, expect:

- Nationwide, toll-free direct claims reporting
- 24/7, two-hour prompt site response
- Single point coordination
- Preferred provider network of contractors/engineers
- Direct access to field claim managers

Even with the best preparation, accident happens. Our team will work hard to support you with comprehensive solutions and dependable service.

If you have any questions, please let us know.
